Vehicle Replacement Program Information

PROGRAM REQUIREMENTS:

- The name(s) listed on the program application as the vehicle owner(s) must be the same name(s) on the registration and title of the vehicle applying to the program.
- Annual household income must be at or below the income guidelines to meet program requirements. Annual household income is determined by using the Adjusted Gross Income (AGI) on the most recent Federal Income Tax form. For other forms of income documentation, only the same qualified deductions that are used to determine AGI may be used to determine financial eligibility.
- Income can be verified with most recent Federal Income Tax Form 1040, W2, Disability or Social Security documents, pay stubs for last three months, or a signed, handwritten statement of unemployment. If an individual is receiving federal assistance a benefits letter may be submitted as income verification.
